## Criminal Investigations Division

**Detectives / Tactical Response Unit / Community Policing**

**May / June 2019**

The Forest Park Police Department's (FPPD) Criminal Investigation Division (CID) is led by Lt. Ken Gross. Three detectives are assigned to CID; Det. Jarlath Heveran, Det. Rob Bryant, and Det. Adam Stasinopoulos. Det. George Hickey reports to the Criminal Investigations Division and is assigned to work with a Drug Enforcement Administration (D.E.A.) Task Force. Det. Mike O'Connor is the police department's Community Policing / Crime Free Housing Officer. LaShan Riggins, the Forest Park Police Department's Evidence Custodian, is a member of CID and aside from her evidence custodian duties performs administrative duties for the investigators, and assists communications, parking, and records when needed. ProCare Crisis Care Worker, Elizabeth Budde, is outsourced to the Forest Park Police Department four days a week and is housed within the CID building located at 501 Desplaines Ave.

Police incident reports are reviewed by the investigations division every working day. Incidents that have victims wishing to sign a complaint against an offender are assigned to a detective for further review in an effort to develop an offender(s), conduct interviews, and gather evidence to effect an arrest and present a winnable case in criminal court. Some incidents are turned over to Elizabeth Budde should there seem to be a need for outreach from her organization, mainly reference mental health

concerns. Other incidents, for example neighbor disputes or landlord tenant disputes, are forwarded to Det. Mike O'Connor so he could intervene and possibly mediate or offer eviction advice. Problem properties may be deemed a nuisance by Det. O'Connor should they meet the criteria established under the village ordinance.

Detectives rotate on call assignments weekly so a Forest Park Police Detective is available 24 hours a day, seven days a week should the need for CID assistance arise.

The detectives are members of the West Suburban Major Crimes Task Force (WESTAF) and are, at times, on call to assist member agencies should a homicide occur in a WESTAF jurisdiction. There were no callouts in May/June 2019.

Currently, the Forest Park PD is still a member agency in the multijurisdictional West Suburban Drug and Gang Enforcement Task Force (WEDGE). WEDGE is still in existence, though it has not been operational as of late.

Trainings attended in May/June 2019 by CID personnel were: FLECT Tac Med Training (Stasinopoulos), Sexual Assault Investigator Training (Gross and Bryant), Asset Forfeiture Seminar (Gross), and Conducting Effective Street Gang Investigations (Bryant and O'Connor).

Det. O'Connor organized the annual Cop on a Rooftop event that took place on May 17, 2019 and raised \$2,879.44. He was also involved in the Law Enforcement Torch Run on June 2, 2019 that raised \$735.00. Chief Tom Aftanas, Lt. Ken Gross, and Sgt. Nick Petrovic ran the entire 4.5 mile course of the run that began at the Westchester Police Department and ended at Doc Ryan's in Forest Park. Donations from both events support Special Olympics Illinois.

There were 101 incidents assigned to investigators for follow-up in the May and June 2019 time period, 58 in May and 43 in June. This is down one incident in comparison to March and April 2019 when 102 cases were assigned. There were 23 fewer incidents assigned to the detective division in May/June 2019 than in the same two month time span in 2018 when 124 cases were assigned. There were a total of 59 incidents cleared in May/June 2019.

Following are incidents of note in May/June 2019:

- CR# 1901285 – A subject was charged with Aggravated Identity Theft after they stole a credit card from a subject at the PADS shelter and used the stolen credit card at a local 7-11 store.
- CR# 1901402 – Monitoring a rowdy funeral led to the issuance of nine local ordinance citations to those in the funeral procession violating a Village of Forest Park negligent driving ordinance.
- CR# 1901355 and 1901416 – Liquor license background investigations.
- CR# 1901426 – An investigator viewed video and recognized two subjects who were involved in a criminal trespass to property incident where they entered a building and were smoking cannabis. Both subjects were juveniles. Their parents were notified and local ordinance citations were issued.
- CR# 1901348 – A neighboring agency reported an incident they learned about involving a juvenile DCFS ward of the state and an adult Forest Park resident. The juvenile had run away and was battered and criminally sexually assaulted by the adult resident. The juvenile was groomed into prostitution and pimped by the adult who used internet sites to advertise and locate willing and paying customers. The detective assigned to investigate this incident worked with outside agencies and executed a number of search warrants and subpoenas to put together a case against the predator named as a suspect. The suspect was arrested and charged. A recent grand jury indictment returned 34 felony charges against the offender, 11 of which are class X felonies. The investigations continues and there are at least two more

offenders in nearby municipalities that will likely get charged similarly by outside agencies thanks to the exceptional work that began in Forest Park.

- CR# 1901140 – A subject in the Cook County Department of Corrections for Aggravated Violation of an Order of Protection made a number of calls to the victim of the original incident via an inmate phone. The victim filed a report with the Forest Park PD and the assigned detective reviewed hours of phone conversations between the offender and victim. The offender, who still had an order of protection against them, was charged with another count of Aggravated Violation of an Order of Protection for the telephone calls made from the jail.
- CR# 1901522 – Video evidence from the Forest Park shopping center showed an employee of Living Fresh Market defacing property on the exterior of Living Word Christian Center. The employee was identified, arrested, and charged.
- CR# 1901729 – A Forest Home funeral became the scene of calls of subjects brandishing guns. Officers converged on the area. As a detective was approaching a group they witnessed a pistol fall from the waistband of one subject. The subject retrieved the pistol and was placed in custody shortly after. The subject was charged with Aggravated Unlawful Use of a Weapon. The crime lab notified this agency that the recovered pistol was used in two recent shooting incidents in Chicago.
- CR# 1901739 – A CTA Blue Line commuter was a victim of a random act of violence with a homeless offender viciously punching the commuter who was on their way to work in the face. The commuter suffered a fractured nose and was treated at a hospital. The offender was located by patrol and arrested. Investigators interviewed the victim and offender and reviewed video of this horrific incident. The offender was charged with Aggravated Battery.
- CR# 1901844 – This department received a call of a Criminal Sexual Assault that just occurred with the offender still on the scene. The offender was arrested. There was a past dating relationship between the victim and offender. The Cook County States Attorney's Office declined felony charges. The offender was charged with three counts of Domestic Battery.
- CR# 1901688, 1901967, and 1902019 – There was a string of package thefts on the north end of town with the offender using a pry tool to enter multi-unit dwellings and stealing property from within. The offender was identified and arrested. They were charged with burglary for the above, three incidents, though they were responsible for several more.

***Forest Park Criminal Investigations Division members are experienced and dedicated public servants who have built and continue to maintain professional relationships within the community and with neighboring agencies in an effort to quash criminal activity and to solve as many cases as possible.***
