FOREST PARK POLICE DEPARTMENT ASSET SEIZURE AND FORFEITURES JULY AND AUGUST 2019

Following is a summary of Asset Seizure and Forfeiture activity by the Forest Park Police Department in July and August 2019. All money, vehicle, and property seizures made by this department are in compliance with Illinois Statutes on drug and money laundering forfeiture laws (Illinois Compiled Statutes, Chapter 725, Article 150/5) and other vehicle seizure laws (Chapter 720, Article 36).

NEW CASES:

On 01 July 2019, this department seized \$13,900 cash from a "John Doe" after discovering this money inside a vehicle and its sole occupant claimed no knowledge of the money and stated it did not belong to him. The cash was deposited into the department asset forfeiture account. A finding of probable cause to seize this money was found in a preliminary review hearing on 10 July 2019.

On 14 July 2019, this department seized a 2007 Chevy Suburban vehicle when the owner was arrested for Driving While License Revoked for DUI. The vehicle was impounded, and a finding of probable cause to seize the vehicle was found in a preliminary review hearing on 24 July 2019.

CASES CLEARED:

On 02 August 2019, a defendant reached a Settlement Agreement with the State's Attorney Office in which 50% of money seized in a June 2019 case would be returned to him, and he would agree to forfeit the other 50% to this department. The defendant was issued a check for \$2,465, and the remaining \$2,465 will be awarded to this department.

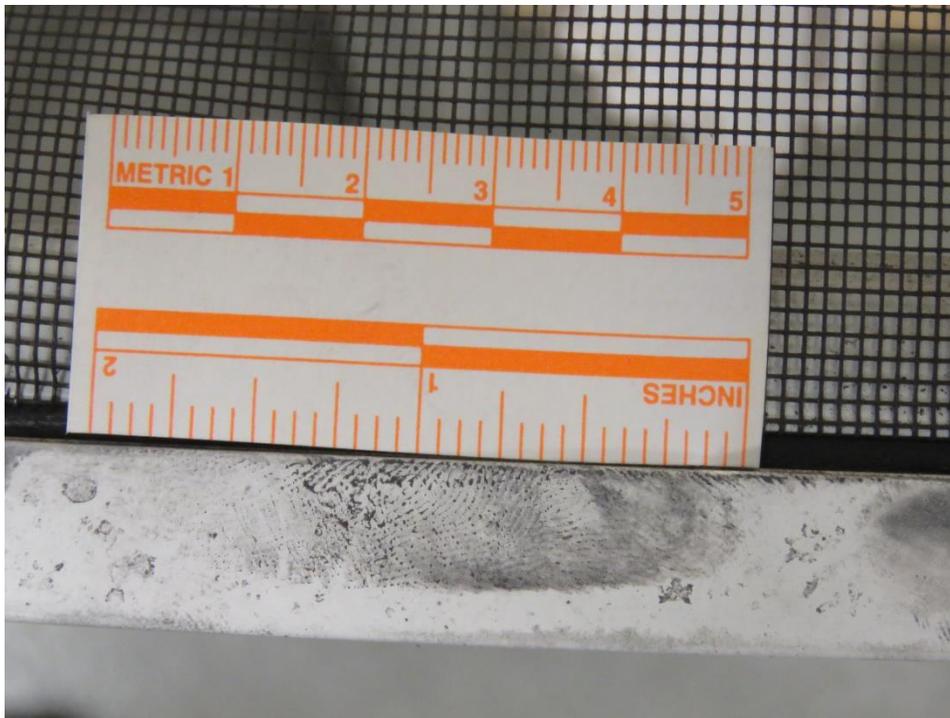

YEAR TO DATE

This department has seized \$24,697 cash in four new cases in 2019 to date. One vehicle has been seized with an estimated value of \$7,000 during the first six months of 2019.

Criminal Investigations Division

Detectives / Tactical Response Unit / Community Policing

July / August 2019

The Forest Park Police Department's (FPPD) Criminal Investigation Division (CID) is led by Lt. Ken Gross. Three detectives are assigned to CID; Det. Jarlath Heveran, Det. Rob Bryant, and Det. Adam Stasinopoulos. Det. George Hickey reports to the Criminal Investigations Division and is assigned to work with a Drug Enforcement Administration (D.E.A.) Task Force. Ofc. Mike O'Connor is the police department's Community Policing / Crime Free Housing Officer. LaShan Riggins, the Forest Park Police Department's Evidence Custodian, is a member of CID and aside from her evidence custodian duties performs administrative duties for the investigators, and assists the 24 hour desk, parking, and records when needed. Amita Health Behavioral Health Clinician and Police Crisis Services Worker, Elizabeth Budde, is outsourced to the Forest Park Police Department four days a week and has an office space within the CID building located at 501 Desplaines Ave.

Police incident reports are reviewed by the investigations division every working day. Incidents that have victims wishing to sign a complaint against an offender are assigned to a detective for further review in an effort to develop an offender(s), conduct interviews, and gather evidence to effect an arrest and present a winnable case in criminal court. Some incidents are turned over to Elizabeth Budde

should there seem to be a need for outreach from her organization, mainly in reference to mental health concerns. Other incidents, for example neighbor disputes or landlord tenant disputes, are forwarded to Ofc. Mike O'Connor so he could intervene and possibly mediate or offer eviction advice. Problem properties may be deemed a nuisance by Ofc. O'Connor should they meet the criteria established under the village ordinance.

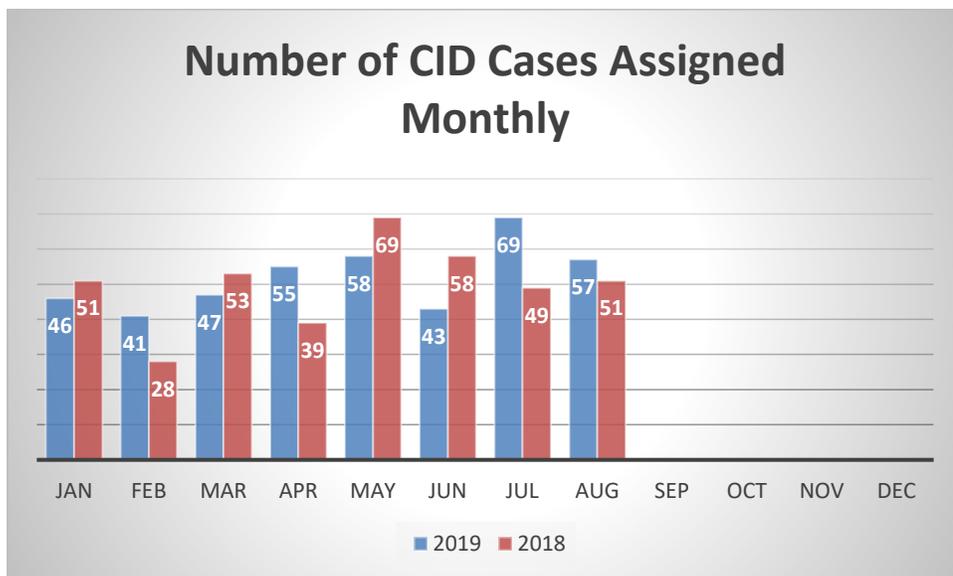

Detectives rotate on-call assignments weekly so a Forest Park Police Detective is available 24 hours a day, seven days a week should the need for CID assistance arise. If a major incident is encountered during off hours, the entire CID staff could be called upon to respond if needed.

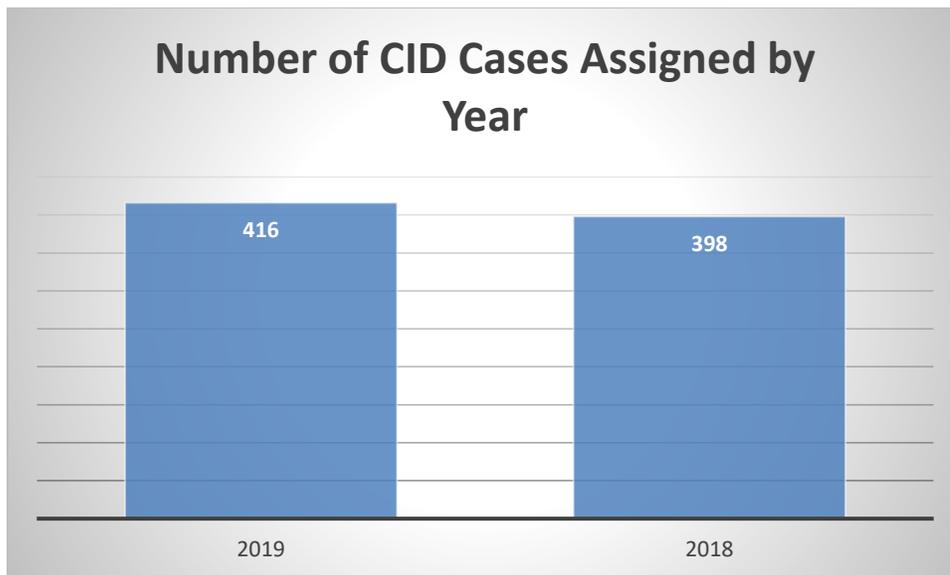

The detectives are members of the West Suburban Major Crimes Task Force (WESTAF) and are, at times, on call to assist member agencies should a homicide occur in a WESTAF jurisdiction. There were no callouts in July/August 2019.

Currently, the Forest Park PD is a member agency in the multi-jurisdictional West Suburban Drug and Gang Enforcement Task Force (WEDGE). Det. A. Stasinopoulos and Ofc. M. O'Connor are assigned to assist WEDGE. They did not assist WEDGE in this reporting period.

Trainings attended in July/August 2019 by CID personnel were: National Symposium on Sex Offender Management and Accountability (Gross), Computerized Voice Stress Analyzer Training (Heveran), and 40 Hour Basic Investigation Skills Program (Stasinopoulos).

There were 126 incidents assigned to investigators for follow-up in the July and August 2019 time period, 69 in July and 57 in August. This is 25% more than in May and June 2019 when 101 cases were assigned. There were 26 more incidents assigned to investigators in July/August 2019 than in the same two month time period in 2018 when 100 cases were assigned. There were a total of 54 incidents cleared in July/August 2019.

Through August 2019, there have been 416 incidents assigned to the detective division, up 18 incidents from 2018 when 398 incidents were assigned from January 2018 to August 2018.
