Criminal Investigations Division

Detectives / Tactical Response Unit / Community Policing

May and June 2020

The Forest Park Police Department's (FPPD) Criminal Investigation Division (CID) is supervised by Lt. Pete Morrissette. Three detectives are assigned to CID; Det. Jarlath Heveran, Det. Rob Bryant, and Det. Adam Stasinopoulos. Det. Mike O'Connor is the police department's Community Policing / Crime Free Housing Officer. LaShan Riggins, the Forest Park Police Department's Evidence Custodian, is a member of CID and aside from her evidence custodian duties performs administrative duties for the investigators, and assists at the desk, parking, and records when needed. Evelyn Simmons is the department assigned Amita Health Behavioral Health Clinician and Police Crisis Services Worker. Evelyn is outsourced to the Forest Park Police Department four days a week and has office space within the CID building located at 501 Desplaines Ave.

Police incident reports are reviewed by the investigations division every working day. Incidents that have victims wishing to sign a complaint against an offender are assigned to a detective for further review in an effort to develop a suspect(s), conduct interviews, and gather evidence to effect an arrest and present a winnable case in criminal court. Some incidents are turned over to Evelyn Simmons should there be a need for outreach from her organization, mainly in

reference to mental health concerns. Other incidents such as neighbor or landlord tenant disputes, are forwarded to Det. Mike O'Connor so he can intervene and possibly mediate or offer eviction advice. Problem properties may be deemed a nuisance by Det. O'Connor should they meet the criteria established under the village ordinance.

Detectives rotate on call assignments weekly so a Forest Park Police Detective is available 24 hours a day, seven days a week should the need for CID assistance arise. If a major incident is encountered during off hours, the entire CID staff could be called upon to respond if needed.

The detectives are members of the West Suburban Major Crimes Task Force (WESTAF) and are, at times, on call to assist member agencies should a homicide occur in a WESTAF jurisdiction. Detectives Heveran and Stasinopoulos assisted North Riverside Police Department for four days in a WESTAF homicide callout in May 2020.

Currently, the Forest Park PD is a member agency in the multi-jurisdictional West Suburban Drug and Gang Enforcement Task Force (WEDGE). Det. Stasinopoulos and Det. O'Connor are assigned to assist WEDGE. They did not assist WEDGE in this reporting period.

Trainings in May and June 2020 by CID personnel were all cancelled due to the Coronavirus pandemic, and detectives worked their normal duties in CID on dates they were scheduled for training.

There were 88 incidents assigned to investigators for follow-up in May and June 2020, forty-five (45) in May and forty-three (43) in June. Operations and investigations have continued to be affected by pandemic restrictions ordered by the Illinois Governor's Office. Courts have been limited or outright closed for business, also limiting the number of active follow-ups, interviews, and the pursuit of warrants and subpoenas for investigative purposes.

Following are incidents of note in May and June 2020:

- CR# 20-00345 – Detective Stasinopoulos investigated a report of Identity Theft. Through his investigation, Detective Stasinopoulos was able to determine a suspect name, and subsequently determined the suspect and complainant knew one another. Further inquiry showed deception on the part of the complainant and it was determined that the identity theft was in fact facilitated together by the complainant and suspect. Although unable to secure charges in this case, Detective Stasinopoulos was able to determine this case is unfounded, and prevented the complainant from recovering any financial or credit losses.
- CR# 20-00891 – Lieutenant Morrissette investigated a fatal car crash that occurred in March 2020. Due to injuries sustained by the surviving driver, this case was continued until he was released from the hospital. The investigation revealed the driver had a blood alcohol concentration more than three times the legal limit at the time of the crash, and that the driver had driven in to oncoming traffic, colliding head on with another vehicle and killing its occupant. The driver was charged with Aggravated DUI and Reckless Homicide.
- CR# 20-01106 – Detective Heveran continued a domestic violence incident in which the victim was stabbed by her boyfriend. Due to the victim's refusal to press charges initially, the offender was charged with a misdemeanor offense. The victim reached out to Detective Heveran afterward, and came to Forest Park from her out of State residence in Ohio to cooperate with the investigation. Detective Heveran was able to upgrade charges against the defendant to Aggravated Domestic Battery.
- CR #20-01231 – Detective Bryant investigated a domestic violence incident in which the offender had repeatedly stabbed her boyfriend. In spite of the injuries sustained and this department's ability to proceed with felony charges, the defendant refused to sign a complaint. Detective Bryant signed a complaint in his behalf for Domestic Battery due to the marked violence of the incident.

- CR# 20-01276 – Detective Heveran investigated a harassment complaint in which the victim had been repeatedly harassed via social media, and prank packages being sent to her in Forest Park. Detective Heveran was able to identify the suspect out of state through his investigation. Detective Heveran spoke with the suspect, who admitted culpability, and faced with potential criminal charges, agreed to cease communication and harassment with the victim. The victim was satisfied with this outcome and the case was closed.
- CR# 20-01374 – Lieutenant Morrissette reviewed an incident at a residence where a large, out of control party was occurring and causing numerous disturbances and complaints from neighbors. This residence has had several past complaints and was declared a Chronic Nuisance Property. Lieutenant Morrissette sent via USPS Mail a local ordinance citation for “Chronic Nuisance Property”.
- CR# 20-01559 – While investigating a separate burglary incident, Detective Stasinopoulos was conducting a search of pawn shops for a known suspect when he came upon a pawn ticket for a bicycle. Detective Stasinopoulos gathered information on the bicycle and through a local bicycle sales shop, was able to identify the owner of the bicycle. Detective Stasinopoulos located the owner of the bicycle, who had not yet reported her bicycle being stolen to the police. The bicycle was recovered and returned to the victim, who refused to sign a complaint in this case.
- CR#20-01579 – Detective Heveran conducted an investigation on a vehicular hijacking in which patrol officers had taken a suspect in to custody after observing them driving at high speeds and subsequently fleeing from police on foot. Detective Heveran was able to secure and view video surveillance footage of the vehicular hijacking, and interviewed the victim. Detectives Heveran and Stasinopoulos then interrogated the suspect, and secured charges of Aggravated Vehicular Hijacking.

Forest Park Criminal Investigations Division members are experienced and dedicated public servants who have built and continue to maintain professional relationships within the community and with neighboring agencies in an effort to quash criminal activity and to solve as many cases as possible.
